It is the purpose of the provisions of this chapter to provide a just, equitable and practicable method, whereby commercial buildings or structures which from any cause, endanger the life, limb, health, morals, property, safety or welfare of the general public or their occupants, diminish property values, exhibit characteristics of abandonment or neglect, or detract excessively from the appropriate appearance of the commercial area, may be required to be repaired, vacated or demolished. The provisions of this code are cumulative with and in addition to any other remedy provided by law, including the current editions of standard codes adopted by the town.

##### § 156.03 SCOPE.

The provisions of this code shall apply to all nonresidential buildings and structures which are now in existence or which may be built within the town limits or annexed therein, and to all lands zoned commercial within the town limits.

#### § 156.04 APPLICABILITY.

(A) Every nonresidential building or structure and the premises on which it is situated, used or intended to be used for nonresidential occupancy shall comply with the provisions of this chapter, whether or not the building shall have been constructed, altered or repaired before or after the enactment of this chapter, and irrespective of any permits or licenses which shall have been issued for the use or occupancy of the building, or for the installment or repair of equipment or facilities prior to the effective date of this chapter.

(B) This chapter establishes minimum standards for the initial and continual occupancy and use of all nonresidential buildings and does not replace or modify standards otherwise established for the construction, repair, alteration or use of the building equipment or facilities contained therein except as provided in § 156.05.

(C) Where there is mixed occupancy, any commercial business use therein shall be nevertheless regulated by and subject to the provisions of this chapter.

#### § 156.05 CONFLICTING PROVISIONS.

In any case where the provisions of this chapter impose a higher or lower standard than that set forth in any other ordinance of the town or under the laws of the state, the higher standard shall prevail. Interpretation shall be the authority of the Nonresidential Maintenance Code Administrator.

#### § 156.06 COMPLIANCE.

(A) It shall be the duty of each owner and each operator of a nonresidential building or premises within the town to comply with the regulations and requirements set forth in this chapter. #### § 156.68 PROCEDURE FOR ENFORCEMENT.

(A) Preliminary investigation. Whenever it appears to the Administrator that a nonresidential building has not been properly maintained and that the safety or health of the building's occupants or members of the general public is jeopardized due to the failure of the property to meet the minimum standards established by this chapter, the Administrator shall undertake a preliminary investigation.

(B) Complaint and hearing. If the preliminary investigation of a nonresidential building discloses evidence of a violation of the minimum standards established by this chapter, the Administrator shall issue and cause a complaint to be served upon the owner and the parties in interest identified during the investigation of the nonresidential building. The complaint shall state the charges and contain a notice that a hearing will be held before the Administrator at a place and time on a date specified within the notice, the said hearing date shall not be less than ten days nor more than 30 days after the serving of the

complaint; that the owner and parties in interest shall be given the right to answer the complaint and to appear in person, or otherwise, and to give testimony at the place and time specified in the complaint; and that the rules of evidence prevailing in courts of law or equity shall not be controlling in hearings before the Administrator.

(C) Procedure after hearing.

(1) If, after notice and hearing, the Administrator determines that the nonresidential building has been maintained so as to meet the minimum standards established by this chapter, the Administrator shall state in writing findings of fact in support of that determination and shall issue and cause to be served upon the owner thereof a copy of the determination.

(2) If, after notice and hearing, the Administrator determines that the nonresidential building has not been properly maintained and, consequently, the safety or health of the building's occupants or members of the general public is jeopardized by the failure of the property to meet the minimum standards established by this chapter, the Administrator shall state in writing findings of fact in support of that determination and shall issue and cause to be served upon the owner thereof an order in accordance with the provisions of divisions (C)(3) and (C)(4) of this section.

(3) If the Administrator determines that the cost of repair, alteration, or improvement of the building would not exceed 50% of the building's then current value, then the Administrator shall state in writing the findings of fact in support of the determination and issue an order that requires the owner, within a reasonable time period that shall be no less than 60 days and that shall be clearly stated in the order, to either: repair, alter, or improve the nonresidential building in order to bring the building into compliance with the minimum standards established by this chapter; or vacate and close the nonresidential building for any use.

(4) If the Administrator determines that the cost of repair, alteration, or improvement of the building would exceed 50% of the building's then current value, then the Administrator shall state in writing the findings of fact in support of the determination and issue an order that requires the owner, within a reasonable time period that shall be no less than 60 days and that shall be clearly stated in the order, to either: repair, alter, or improve the nonresidential building in order to bring the building into compliance with the minimum standards established by this chapter; or to remove or demolish the nonresidential building.

(1) If the owner fails to comply with an order to repair, alter, or improve the nonresidential building or, alternatively, vacate and close the nonresidential building, the Administrator shall submit to the Town Council an ordinance ordering the Administrator to either cause the nonresidential building to be repaired, altered, or improved in order to bring the building into compliance with the minimum standards established by this chapter or to cause the building to be vacated and closed for any use. The property shall be described in the ordinance. If the Town Council adopts the ordinance, the Administrator

shall cause the building to be repaired, altered, or improved or to be vacated and closed for any use.

(2) If the owner fails to comply with an order to repair, alter, or improve the nonresidential building or, alternatively, to remove or demolish the building, the Administrator shall submit to the Town Council an ordinance ordering the Administrator to cause the nonresidential building to be removed or demolished. No ordinance shall be adopted to require removal or demolition of a nonresidential building until the owner has first been given a reasonable opportunity to bring the building into conformity with the minimum standards established by this chapter. The property shall be described in the ordinance. If the Town Council adopts the ordinance, the Administrator shall cause the building to be removed or demolished.

#### § 156.69 COSTS ARE A LIEN ON PREMISES.

(A) As provided by G.S. § 160D-1129(i), the amount of the cost of any repairs, alterations, or improvements, vacating and closing, or removal or demolition caused to be made or done by the Administrator pursuant to § 156.68(D) shall be a lien against the real property upon which the costs were incurred. The lien shall be filed, have the same priority, be enforced, and the costs collected as provided by G.S. Ch. 160A, Art. 10. The amount of the costs shall also be a lien on any other real property of the owner located within the city limits except for the owner's primary residence. The additional lien provided in this subdivision is inferior to all prior liens and shall be collected as a money judgment.

(B) If the nonresidential building is removed or demolished by the Administrator, such officer shall offer for sale the recoverable materials of the building and any personal property, fixtures, or appurtenances found in or attached to the building and shall credit the proceeds of the sale, if any, against the cost of the removal or demolition. Any balance remaining shall be deposited in the Superior Court by the Administrator, shall be secured in a manner directed by the court, and shall be disbursed by the court to the persons found to be entitled thereto by final order or decree of the court. Nothing in this section shall be construed to impair or limit in any way the power of the governing body to define and declare nuisances and to cause their removal or abatement by summary proceedings or otherwise.

#### § 156.70 FILING OF ORDINANCES.

An ordinance adopted by City Council pursuant to § 156.68(D) shall be recorded in the office of the Register of Deeds of Randolph County and shall be indexed in the name of the property owner in the grantor index, as provided by G.S. § 160D-1129.

#### § 156.71 ALTERNATIVE REMEDIES.

Neither this chapter nor any of its provisions shall be construed to impair or limit in any way the power of the city to define and declare nuisances and to cause their abatement by summary action or otherwise, to enforce this chapter by criminal process as authorized by G.S. § 14-4 and § 156.99, and to utilize any remedy provided herein or in other ordinances or laws.

#### § 156.72 BOARD OF ADJUSTMENT.

(A) The Board of Adjustment shall be that authorized, established and appointed body responsible for hearing appeals and requests for variance.

(B) Normal procedures, rules and processes established for the Board of Adjustment shall apply.

(C) The duties of the Board of Adjustment shall be to:

(1) Consider and determine appeals whenever it is claimed that the true intent and meaning of this chapter or any of the regulations hereunder have been misconstrued or wrongly interpreted or applied by the Code Administrator or the Administrator's representative.

(2) Grant, in cases where the application of the requirement of this code in the allowance of the stated time for the performance of any action required hereunder would appear to cause undue hardship on an owner, reasonable extensions of time not to exceed six months from date of the notice. No subsequent appeal shall be considered where an appeal has been previously decided involving the same building or premises and the same citation, unless the appellant can demonstrate to the satisfaction of the Board a change in circumstances sufficient to justify reopening the appeal.

(D) All decisions of the Board of Adjustment which vary the application of any provision of this chapter or modify an order of the Administrator shall specify in what manner the variance or modification is to be made, the conditions under which it may be made and the reasons therefor. Every decision shall be in writing, and a copy of all decisions shall be promptly filed in the office of the Code Administrator, and it shall be open to public inspection.

#### § 156.73 APPEALS.

(A) Within 30 days following receipt of a notice of violation, any person receiving the notice, believing that the literal application of this chapter will cause undue hardship or has been misconstrued, wrongly interpreted or applied, may appeal in writing to the Board of Adjustment for the relief as may be granted, after investigation of the grounds thereof, by way of a reasonable extension of time or a variation from strict compliance with the provisions of this chapter. The circumstances justifying the findings related to hardship are:

(1) Inability to immediately comply due to severe financial distress;

(2) The unavailability of services or equipment with which to comply, without fault of the applicant; and/or

(3) Other extenuating circumstances showing a good faith intention on the part of the applicant or another to comply when able to do so.

(B) The appeal shall be on a form provided by, and shall be addressed to the Office of the Code Administrator, where proper forms will be prepared and forwarded to the Town Manager who will set the date and time of hearing and so notify the applicant. This section shall not be construed to apply to any situation regarded by the enforcement authority as a real and immediate threat to public safety and health. Any person aggrieved by the decision of the Board may petition any court of competent jurisdiction within the county. Any appeal of this sort must be filed with the court within 15 days from the date of the Board's decision or it shall be considered abandoned.

(C) To defray the cost of processing an appeal fee to be set by the Board in the annual budget ordinance shall be required. All fees are payable to the town and must be paid prior to processing the appeal.

#### § 156.74 AMENDMENTS.

The Town Council may from time to time amend, supplement, or change the provisions and requirements of this code. Any amendment shall be by ordinance of the Council. Initiation of any amendment may be by the Town Council, Planning Board, staff, Board of Adjustment or by a private citizen.

#### § 156.99 VIOLATIONS; PENALTIES.

(A) It shall be unlawful for the owner of any nonresidential building to fail, neglect, or refuse to repair, alter, or improve the same, to vacate and close, or to remove or demolish the same upon order of the Administrator duly made and served in accordance with the provisions of this chapter within the time specified in the order, and each day that any such failure, neglect, or refusal to comply with the order continues shall constitute a separate and distinct offense. It shall be unlawful for the owner of any nonresidential building, with respect to which an order has been issued pursuant to section § 156.68(C), to occupy or permit the occupancy of the same after the time prescribed in the order for its repair, alteration, improvement, or its vacation and closing, and each day that the occupancy continues after the prescribed time shall constitute a separate and distinct offense.

(B) The violation of any provision of this chapter shall constitute a misdemeanor, as provided by § 10.99.

(C) In addition to or in lieu of the other remedies provided by this chapter, any owner of a nonresidential building that fails to comply with an order of the Administrator within the time specified therein, shall be subject to a civil penalty in the amount of \$50 for the first offense, \$100 for the second offense in the calendar year, and \$250 for the third and

subsequent offenses in the calendar year. Each subsequent offense after the third will be subject to a civil penalty of \$250. Each 30-day period or part thereof in which a violation is allowed to persist will constitute a separate and distinct offense.
